ENROLMENTS FOR 2022

In the first instance, Quarry Hill Primary School draws its enrolments from our 'designated neighbourhood zone'. This zone has been devised, in consultation with our Regional Office, taking into consideration the location of other local primary schools.

The following guidelines apply for schools with enrolment ceilings. Where there is insufficient accommodation at a school for all students who seek entry, students are enrolled in the following priority order:

- Students for whom the school is the designated neighbourhood government school.
- Students with a sibling at the same permanent residence who are attending the school at the same time.
- All of the students in order of closeness of their permanent residence to the 'designated neighbourhood zone' boundary.

If you have a child starting next year we ask that you enrol them by June 30th. If you know that you will not be here at Quarry Hill Primary School next year, please let us know. This enables us to have a better idea about the number of Prep children we can enrol and also about the grade levels where there may be places available for other students.

Congratulations to the our soccer teams

We would like to congratulate the girls for winning one of their Division Soccer games last Friday and the boys for winning all 6 games and winning the competition. Well done all what a great effort!
