Dear Parents and Carers,

Welcome to the 2022 school year! A special welcome to our new Quarry Hill families joining us for the first time.

OUR NEW PREPS FOR 2022

Last Thursday was the first full day of school for our Prep students this year. The excitement and anticipation of the children was amazing to witness. For the most part, they settled really well and quickly set about making new friends. Most parents seemed to cope quite well too! An extra hug was required for some, but everyone left fairly composed. It's a big day for everyone involved. A big thank you to all parents for adhering to the physical distancing and for not entering the classrooms. This was very much appreciated.

SCHOOL CAPTAINS AND VICE CAPTAINS FOR 2021

Caelan M and Ella G will be the Quarry Hill School Captains this year. They will be ably assisted by Rhiannon T and Hunter T who will take on the Vice-Captain roles. Congratulations to these four young people. It is a big commitment to take on leadership roles, and we feel confident that they will do a wonderful job.

HOUSE CAPTAINS

Congratulations are also extended to the following students for obtaining the role of House Captain for 2022:

Peel House – Charlie L & Summer H

Amer House – Drolma L & Lenny B

Malcolm House – Edward B & Charli B

Harkness House – Fletcher W & Sophia Z

CAMPS, SPORTS AND EXCURSIONS FUND APPLICATIONS

The Camps, Sports and Excursions Fund helps eligible families to cover the costs of school trips, camps and sporting activities.

If you have a valid means-tested concession card, such as a Veterans Affairs Gold Card, Centrelink Health Care Card or Pensioner Concession Card, or are a temporary foster parent, you may be eligible. There is also a special consideration category for asylum seeker and refugee families.

Payment amounts this year are \$125 for eligible primary school students. Payments are made direct to the school to use towards expenses relating to camps, excursions and sporting activities for the benefit of your child.

If you applied for CSEF through our school last year, you do not need to complete an application form this year, unless there has been a change in your family circumstances.

If you would like to apply for the first time, please contact the school office on 54433 537 and ask for an application form.

You can also download the form, and find out more about the program and eligibility, on the Department of Education and Training's [Camps, Sports and Excursions Fund web page](#).

Check with the school office if you are unsure, and please return completed forms to the school office as soon as possible.

STUDENT ACCIDENT INSURANCE ARRANGEMENTS

The Education Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs, unless the injury is caused by the negligence (carelessness) of a Department or School Council employee or volunteer.

Students' accident insurance policies are available from the private insurance market. These cover a range of medical expenses not covered by Medicare. They can be obtained by parents for individual students.

Parents of students at Quarry Hill Primary School are reminded that Quarry Hill Primary School does not have a whole of school policy.

SUPERVISION RESPONSIBILITIES BEFORE AND AFTER SCHOOL

At Quarry Hill Primary School, the school grounds are supervised by staff from 8.45am before school and until 3.45pm after school.

There may be staff in attendance at the school before and after those times but those staff may be involved in tasks such as meetings or lesson preparation. This means that these staff members will not be supervising students. I know that a number of parents accompany their children to school and wait to see that they are settled. This practice is fine, and is certainly encouraged, as parents are supervising their own children.

Formal before and after school care is available within the school grounds and is operated by Camp Australia. Information regarding this program is available from the office, or can be accessed online at <https://www.campaustalia.com.au/Schools/QuarryHillPrimarySchool/3550/B294>

REGISTERING FOR OUT OF HOURS SCHOOL CARE – CAMP AUSTRALIA

To help families prepare for the new school year, bookings for Outside School Hours Care are now open for 2022. It is recommended that families register an account with Camp Australia and always book in advance.

Parents/guardians must register their child by completing an online enrolment form via the parent portal. It's important that parents/guardians fill out all compulsory enrolment documentation for their child and notify of any medical conditions, illnesses etc., to ensure the health and safety of all children in the program.

Families can register for free at <https://pp.campaustralia.com.au/account/register-contacts>

ANAPHYLAXIS AND ASTHMA

We have several children enrolled who suffer from severe allergies to a variety of things including nuts and nut products, dairy & wheat which can result in them going into anaphylactic shock. Anaphylaxis is the most severe form of allergic reaction and is potentially life threatening. It must be treated as a medical emergency, requiring immediate treatment and urgent medical attention.

At Quarry Hill several strategies are in place to deal with this. We are an Allergy Aware school. Students are encouraged to wash hands before and after eating to minimise the risk of contamination.

Often boxes and packages are sent to school for art construction activities and are very useful. However, do not send any packages for use at school that have contained dairy, wheat, nuts or nut products so that we can minimise the risk of children with allergies coming into contact with products that may cause a reaction.

Action Plans for Anaphylaxis and also for Asthma are required for all children who suffer from either, and must be obtained from the family doctor. Please ensure that your child has an updated plan if they suffer from asthma or are at risk of experiencing anaphylaxis. A copy of this plan must be provided to the school immediately.

ASTHMA ALERT - SPACER USE IN SCHOOLS

A reminder to families of children with asthma of the new policy regarding single person spacer use.

This means that schools are no longer be able to wash, sterilise and re-use spacers and face masks from their asthma emergency kits when assisting students and children with asthma symptoms.

Spacers should always be used when administering reliever 'puffer' medication because:

- Using a spacer with a 'puffer' ensures that more medication reaches the airways.
- Spacers are much easier for children to use than a 'puffer' alone, and allows school and preschool staff to help students/children during an asthma attack, often in an emergency situation.
- Spacers are an essential part of the Asthma First Aid procedure that Victorian schools/preschools are instructed to follow.

Asthma first aid kits should only ever be used as a back-up for when a child with asthma does not have their own spacer available, or if it is a first asthma attack or the cause of breathing difficulty is unknown. If your child requires medication and does not have their own spacer, a cost of \$10.00 will be charged to cover the purchase of the spacer.

Even if your child has mild asthma, it is essential that their medication and spacer (and a compatible face mask if under 5 years old) is always available to school staff. To ensure that a spacer is not left at home, we would recommend that parents/carers purchase a second spacer for their child to have with them at school at all times if possible.

For further information, please contact the Asthma Foundation of Victoria on 1800 645 130 or email schools@asthma.org.au

PARKING AROUND THE SCHOOL

Parking Services from the City of Greater Bendigo have contacted our school and requested that the following information be conveyed to our school community.

The illegal parking of vehicles adjacent to our school poses a safety concern to children, pedestrians and other road users. Parents are reminded that it is essential to comply with parking restrictions when dropping off and collecting children from school.

Motorists must not stop in no stopping areas, even briefly, with or without the motor running. They must not stop next to a continuous yellow edge line, on nature strips, too close to school crossings, park over driveways or double park. A number of schools have short term time restricted areas, such as 2 minute pick up drop off. These parking areas are in place to allow for ease of access close to schools and these restrictions must be adhered to. Drivers should also be aware that they cannot perform a U-turn over an unbroken or continuous dividing line.

With regard to children's crossings, the law requires that a driver approaching a children's crossing must drive at a speed at which the driver can, if necessary stop safely before the crossing. Please slow down and take extra care when driving in school zones.

City of Greater Bendigo Parking Officers and Bendigo Police do conduct random patrols throughout the school year at various locations to ensure that motorists are adhering to the Road Rules.

Ferdi update

Hello everyone

Welcome back to school. I hope you all had a great summer holiday.

I holidayed at home. I spent a lot of time with my human family who were all home for the holidays. Here are a few pictures from my scrapbook showing what else I got up to.

I played with dog friends

I needed lots of baths

I love car trips.

I have had my back-to-school haircut and popped in for a visit. I will be coming to school more often starting next week. It might be a few weeks before I am in classrooms as I get used to being back at school. This year I will be doing a lot of work with Mrs Fry and Dogs Connect. I can't wait!

Love from Ferdi.

FINANCIAL ASSISTANCE INFORMATION FOR PARENTS

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund helps ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities. It is part of making Victoria the Education State and the Government's commitment to breaking the link between a student's background and their outcomes.
