## Bike Ed / Road Safety Program

As part of our Wednesday activities program all Year 6 students will participate in Bike Ed/Road Safety Program. With this in mind I would like to expand our stable of school bikes. We currently have 8 bikes at school which can be used in our program, however it would be ideal if we double this amount. If you have any bikes at your home that are no longer being used and feel like donating to our program, please let me know. Please note I'm happy to do minor repairs however the bikes need to be in reasonable condition.
