Puberty Sessions

Grades 5 and 6 students are about to begin an important unit about growth and personal development. The content that will be covered will enable students to achieve the outcomes outlined in the Health and Physical Education Curriculum.

Health Promotion Officers from Bendigo Community Health Services will be coming to deliver puberty education on the 30th & 31st May to year 5/6 students.

There will be two sessions for each class over these days, each involving interactive activities and meaningful information for students who are going through these changes.

Puberty topics that will be covered include

- Learning what is puberty
- Understanding the physical, emotional, and social changes and transitions through puberty
- Examining a range of strategies to help manage changes associated with puberty
- Menstruation, introduction to conception and pregnancy
- Managing friendships and respect in relationships
- Staying safe online
- Consent
- Body image

It is hoped that your child will want to discuss the topic of adolescent development with you at home. To support this we will also be conducting parent sessions.

Parent session time/date – TBC, please refer to the survey that has been sent out via Compass.

CURIOUS

Layla B (Room 12)	for always displaying a positive attitude towards all learning activities. Awesome effort, Layla!
Abby S (Room 17)	for a creative start to your flood research.
Alec B (Room 1)	for checking his maths without being prompted and using a red pencil to show the corrections he had made!
Poppy Q (Room 8)	for working on her fluency and expression when reading.
Beth L (Room 15)	for always contributing great ideas to class discussions and her learning.
Evie L (Room 13)	for having excellent responses in her persuasive reading review. Well done.
Jackson J (Room 6)	for making his writing more interesting by including brilliant adjectives.

BRAVE

Leni F (Room 14)	for challenging herself when exploring angles during maths.
Shaylah W (Room 15)	for always challenging herself and having a growth mindset.
Spencer A (Room 5)	for the wonderful fluency he is demonstrating while reading.
