The Victorian Government has announced new [Child Safe Standards](https://ccyp.vic.gov.au/news/new-child-safe-standards-start-in-victoria-on-1-july-2022-to-better-protect-children/)

<https://ccyp.vic.gov.au/news/new-child-safe-standards-start-in-victoria-on-1-july-2022-to-better-protect-children/>

to further strengthen child safety across organisations, including schools. The new standards recognise the critical importance of families and the broader school community in maintaining and promoting child safety and wellbeing. We have reviewed and updated our child safety policies and procedures to ensure they meet the requirements of the new standards. These are available to view on our school website.

We are committed to continuous improvement in our approach to child safety and wellbeing and welcome feedback from families and members of our school community on ways we can further strengthen our child safety policies, procedures and practices.

If you have any suggestions, comments or questions, please contact the assistant principal, Anne Rochford, on 5443 3537

SUPERVISION RESPONSIBILITIES BEFORE AND AFTER SCHOOL

At Quarry Hill Primary School, the school grounds are supervised by staff from 8.45am before school and until 3.45pm after school.

There may be staff in attendance at the school before and after those times, but those staff may be involved in tasks such as meetings or lesson preparation. This means that these staff members will not be supervising students.

A number of parents accompany their children to school and wait to see that they are settled. This practice is fine, and is certainly encouraged, as parents are supervising their own children.

Formal before and after school care is available within the school grounds and is operated by Camp Australia. Information regarding this program is available from the office, or can be accessed online at <https://www.campaustralia.com.au/Schools/QuarryHillPrimarySchool/3550/B294>

MEETING THE UKRAINIAN AMBASSADOR

Thomas and Spencer A were lucky enough this week to be invited to meet the ambassador from Ukraine who is currently visiting Bendigo. They have been involved in refugee settlement and peace rallies in support of the people of Ukraine. Well done, so impressive to see Quarry Hill students making such a difference!

BIRMINGHAM BREAKFAST!

Schools across Australia had the chance to submit an entry to be one of four schools to host live question and answers sessions with Australian athletes from the Birmingham Commonwealth Games. The entry from our Room 11 class was successful, so Quarry Hill Primary School is one of the lucky schools! Birmingham Breakfast will run across the five school days of the Commonwealth Games (Monday 1 August - Friday 5 August). This means our school will become camera hosts whilst all other schools nationwide can tune in via Zoom or watch the repeat of Birmingham Breakfast each day!

Next Wednesday the Grade 5s will begin hosting the live question and answer session with Australian Athletes. This week the students have been brainstorming interesting questions to ask the athletes as well as making posters and decorations. It has generated lots of excitement with the students.

MELBOURNE MUSEUM P-2 DINOSAUR INCURSION

Wednesday morning saw the Melbourne Museum come to visit the Prep, Grade 1 and 2 students at Quarry Hill Primary School! The Melbourne Museum showed us lots of interesting models and fossils from real dinosaurs. We learnt a lot about dinosaurs that archaeologists and palaeontologists are discovering in Australia and America. And even in Castlemaine!

Here's what some of the students had to say about their 'dinosaurific' morning:

Safin P (Room 1) – I really enjoyed seeing lots of dinosaur bones and I found out that the Triceratops died near the water and they were washed up in rocks.

Anika E (Room 2) – I liked the big lizard mat and the big dinosaur head.

Arielle S (Room 6) – I liked how we got to touch the dinosaur bones. Also, when it was over, I was pretending to be a paleologist in the sandpit!

Lulu P (Room 8) – My favourite thing was the dinosaur head. It was from a T-Rex!

Lucy K (Room 9) – I liked looking at the dinosaur fossils. My favourite fossil was the T-Rex head.

Child Safe

On 26 November 2015, the Victorian Parliament passed the Child Wellbeing and Safety Amendment (Child Safe Standards) Bill 2015, which amended the Child Safety and Wellbeing Act 2005 to introduce the Child Safe Standards that would apply to all organisations involved in child related work in Victoria.

There are 7 Child Safe Standards which are compulsory minimum standards for all Victorian schools, to ensure they are well prepared to protect children from abuse and neglect. The 7 Standards are:

1. Strategies to embed an organisational culture of child safety, including through effective leadership arrangements
2. A child safe policy or statement of commitment to child safety
3. A code of conduct that establishes clear expectations for appropriate behaviour with children
4. Screening, supervision, training and other human resources practices that reduce the risk of child abuse by new and existing personnel
5. Processes for responding to and reporting suspected child abuse.
6. Strategies to identify and reduce or remove risks of child abuse
7. Strategies to promote the participation and empowerment of children.

Quarry Hill Primary School is committed to child safety and to our children being principled, caring, balanced members of our community. We are committed to the safety, participation and empowerment of our children and have zero tolerance of child abuse. All allegations and safety concerns will be treated very seriously and consistently. We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously. The school is committed to regularly training and educating our staff and volunteers on child abuse risks and all staff undertake Mandatory Reporting training

We support and respect all children, as well as our staff and volunteers, and are committed to the cultural safety of children from diverse backgrounds, and to providing a safe environment for children with a disability

Quarry Hill Primary School has the following Policies and documents in place to meet the Child Safe Standards:

- Child Safe Policy
- Child Safe Responding and Reporting Policy (including mandatory reporting)
- Child Safe Code of Conduct for Staff and Volunteers
- Statement of Commitment to Child Safety
- Volunteers Policy
- Working with Children's Checks Policy
- External Providers Policy

All of the above policies and documents have recently been reviewed and updated in line with our policy review schedule. These policies have been updated on our school website. All of these documents can be found on our website under the 'Child Safe' tab and the policies can also be found under the 'Policies' tab. We encourage all families to familiarise themselves with these documents.
