### BIZARRE BAZAAR

This term, students have been gaining a real life understanding of the design and production process as they create brand new products. Each student has been producing items that will be marketed and then sold at the upcoming Bizarre Bazaar market. Proceeds of the market are then directed to 'Food Share' Bendigo, who not only support us with food boxes and fruit, but with produce for our Kitchen Garden program.

The market will be held on the 2<sup>nd</sup> of December, between 12:30 pm and 1:30 pm, on the basketball court.
