

Dear Parent/Carer,

Quarry Hill Primary School is looking forward to another great year of teaching and learning and would like to advise you of Quarry Hill Primary School's voluntary financial contributions for 2024.

Quarry Hill Primary School is proud of the quality of resources and facilities available for our students to use and enjoy. The environment and resources we enjoy today represent the contributions made by our parent/carer community over many years. Parent/Carer's voluntary contributions make a significant difference to the quality of the programs we offer our students and have allowed us to deliver rich opportunities outside of the traditional teaching and learning programs. Our reading and numeracy materials are extensive, and we are constantly adding new materials for teachers to use to support personalised and quality learning. Our specialist programs offer diverse learning opportunities for our students; with your contributions we were able to stage a whole school production in 2022 and 2024 will again, giving the students an opportunity to perform on stage at a theatre.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that is through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

In 2023 your voluntary contributions have allowed our school to purchase readers and literature for the students, implement a Prep to Grade 2 literacy program called Initialit, purchase library books, math resources and beautify our grounds just to name a few. We thank you all for your contributions to making our school the best it can be for all our students and the community. In 2024 we would like to continue to enhance all our programs, and to add an outdoor learning space adjoining the new toilet block facility. Your contributions continue to allow us to make these modifications to our school.

Attached is information and suggestions on voluntary financial contributions for 2024 for your child. Payment of voluntary contributions can be made:

- in person from Monday January 22nd, 2024, between 8.00am – 4.00pm at the school office

Refunds

Quarry Hill Primary School encourages all students to participate in extra-curricular activities including camps and excursions. However, the school must ensure that these activities do not run at a loss and as a result incur costs to the school.

There will be occasions when for whatever reason(s), a student needs to withdraw from a program, camp and/or excursion after they have made payment to the school for all or part of that activity.

To provide a fair and equitable refund system, any students withdrawing from Camps & Excursions will have the following apply:

1. Where no cost is incurred by the school, a full refund shall be payable (at the principal's discretion) provided that:
 - the student's place is filled by another student.
 - the school deems the student's withdrawal was unavoidable. e.g. due to illness
2. A partial refund shall be payable to the student withdrawing when:
 - the school deems the student's withdrawal was unavoidable but has incurred expenses relating to the withdrawal. In such cases, the refund will be the amount paid by the student, less expenses incurred by the school as a result of the withdrawal.
3. No refund will be payable to the student withdrawing when:
 - The school deems the withdrawal was avoidable and has incurred the full costs of the camp or excursion.

Refunds will only be given when requested in writing within 21 days of the excursion taking place or the commencement of the camp. (Request for Refund Form attached)

Where the school makes the decision to cancel a camp or excursion due to insufficient numbers, the amount paid by the student shall be refunded in full.

Where a camp or excursion has to be rescheduled because of Government warnings, e.g. fire danger parents may request a refund of monies paid by them less any funds retained by the Booking Company for the rescheduled trip.

The Principal will have the capacity to view special circumstances on an individual basis.
