Dogs Connect

Given Ferdi's recent diagnosis of epilepsy, he will be visiting school for morning drop off with Mrs Rochford so that students can still say good morning to him at the gate but will no longer be working in classrooms. We are, however, pleased to let our community know that Mrs Fry's dog, Lulu, is incredibly eager to join the Quarry Hill community and is in the process of getting herself ready to start on her school dog journey. Lulu is another "Oodle" being a Miniature Poodle and is non-shedding. She has participated in training since she was a puppy and has a lovely temperament.

Mrs Fry met with Dogs Connect last week to discuss an action plan and you will begin to see Lulu in Term 3. Mrs Fry will also start to work with classes to remind them of the expectations of working with a new school dog.

DOGS CONNECT
RESTORING BALANCE

**Hi! My name is
Lulu.**

I am a 4-year-old Miniature Poodle and weigh around 7 kg.

I am a very friendly girl; I'm relaxed in general but really enjoy being loved. I am Mrs. Fry's 4-legged friend!

She and my family feeds me morning and night, takes me for walks, plays with me and showers me with love.

I love tennis balls, treats (I run from anywhere in the house when I hear the treat bag), meeting new people and smelling everything.

I like to run around in circles and chase my tail every night when I go a little crazy just before bedtime ... hey a girl must get out that energy somehow.

I am looking forward to starting work at Quarry Hill Primary School.

I can't wait to meet everyone!

RESTORING BALANCE

3 Expectations

It's easy as 1,2,3 to help our Well-being Dog to learn to relax.

1

Hi!

We say hello to the person, not the dog!

2

We give lots of space when we pass the dog!

3

We keep moving (we don't stand around and stare).
