**DOGS CONNECT**  
RESTORING BALANCE

**Hi! My name is Lulu.**

I am a 4-year-old Miniature Poodle and weigh around 7 kg.

I am a very friendly girl; I'm relaxed in general but really enjoy being loved. I am Mrs. Fry's 4-legged friend!  
She and my family feeds me morning and night, takes me for walks, plays with me and showers me with love.  
I love tennis balls, treats (I run from anywhere in the house when I hear the treat bag), meeting new people and smelling everything.  
I like to run around in circles and chase my tail every night when I go a little crazy just before bedtime ... hey a girl must get out that energy somehow.  
I am looking forward to starting work at Quarry Hill Primary School.

**I can't wait to meet everyone!**

## 3 Expectations

It's easy as 1,2,3 to help our Well-being Dog to learn to relax.

- 1**  **We say hello to the person, not the dog!**
- 2**  **We give lots of space when we pass**
- 3**  **We keep moving (we don't stand around and stare).**
