

What's been happening...

Adventure awaits!

We are excited to introduce our new language surrounding OSHC club! When you come for our morning sessions you will now be attending Rise then Shine! Our afternoon sessions will now also be called Stay and Play!

Rise then Shine
Our morning programs are now called 'Rise then Shine'
'Creating the best start to the school day'
Fueling children's curious minds and growing bodies to set children up for their best day ahead - they'll be ready to learn and ready to shine.

Stay and Play
Our afternoon programs are now called 'Stay and Play'
'Where friendships are made'
Creating meaningful connections and friendships by providing children with a place to stay and have fun after school.

We are also excited to introduce our Adventure Box! The adventure box is a new and interactive way for the children to be more involved with their learning and adventures with OSHC. We would love for any parents to come and have a peek inside the box and see what your children get up to!

Coming Up

Feb
20

Launch day!

We start using Rise then Shine and Stay and Play

Feb
22

OSHClub Market!

Children have the chance to spend their "OSHC DOSH"

Feb
24

FOMO Club - Street Eatz

This week we travel to Vietnam to create some Bahn Mi!

Special Announcements

New Educator Emma!

We have a new staff member who started last week! Emma is currently studying her Bachelor of Education and is excited to inspire some fun with OSHClub!

Quality Area Reflection

Learning responsibilities!

Our focus this term is to help support the children in learning responsibilities. From ensuring we keep our space clean, our resources being respected or completing tasks to help each other responsibilities can form in many different ways!

To help the children with this, we have introduced the Job Board and OSH DOSH. Your children get to decide if they want to do a job, but they will also earn OSH DOSH for their hard work! Every few weeks we will hold a market for the children to spend their hard earned dosh!

Club News

FOMO Clubs

We are not only launching our new language and our adventure boxes this week, but we are also starting our FOMO Club, Street Eatz!

Every Friday for the next 5 weeks the kids will be given the opportunity to cook, create and taste different street foods from across the world, beginning with Bahn Mi!

If you are interested in attending our FOMO club please book online or speak to Ebony!

Coordination Corner

Welcome Back!

As we are now In week 4 we are excited to be back at school! We have welcomed quite several new children, who are either starting school this year, or are returning!

We also wish to remind parents that when picking up your children from Stay and Play that you are using respectful language towards children and staff, and that you have your photo ID available for us to check!

Parents feedback

Have your say!

At OSHClub Quarry Hill we want every parent and child to feel they have a say In what goes Into each adventure, whether It be In Rise then Shine, or Stay and Play. We have multiple areas where you can give your feedback such as email and text, our feedback box, speaking with our staff directly and our soon to be emailed out surveys.

If you do have any questions or concerns please reach out and let us know! We love to hear what you are enjoying, what we can Improve on or what you would like to see us start doing!

Recipe

Fruit Salad with a twist!

- 1 banana
- 1 strawberry
- 1 orange slice
- 1 mango
- 1 kiwi
- 3 small or wild blueberries
- 1-2 small black berries
- 2-3 tbs cream cheese

Peel your banana and lay it on a cutting board. Cut it into 6 even pieces and set aside. Dice a portion of each of the following fruits: strawberry, orange slice, mango and kiwi. You may cut your blackberries in small pieces, or dice if you prefer. Spread cream cheese on top of each banana piece. Sprinkle each banana with your fruit, in the following order: strawberry, orange, mango, kiwi, wild blueberries and blackberries
